Our institution's outreach endeavors have left an indelible mark, profoundly shaping both our students' holistic growth and fostering a culture of civic responsibility. Here's a concise breakdown of our pivotal initiatives:

1. Climate Change Youth Outreach Program:

- Engaged students in elocution, slogan competitions, group discussions, and poster presentations on topics like plastic-free campuses, electric mobility, global warming, energy conservation, water recycling, and sustainable agriculture.
- Enhanced students' public speaking, creative thinking, research skills, and collaborative abilities.
- Raised community awareness on plastic pollution, sustainable transportation, water conservation, and renewable energy adoption.

2. Community or Service Band ('Samudayik Seva Dhara'):

- **E-FIR Program:** Educated the community on electronic First Information Reports (FIR), improving access to justice.
- **Save Water and Sanitation:** Promoted water conservation and hygiene practices for community health and sustainability.
- **Importance of Labour:** Raised awareness on labor rights and contributions, fostering respect within society.

3. Awareness Through Fine Arts ('Rang, Kala, Kaushal Dhara'):

- **Poster Competitions:** Students created visually compelling messages on pollution, climate change, and social responsibility, displayed across campus.
- **Rangoli Competitions:** Used traditional art forms to convey messages; during COVID-19, promoted health and safety protocols.

- **Drawing Competitions:** Highlighted themes like water conservation, pollution reduction, and natural resource preservation.

4. **Tree Plantation:**

- Organized regular tree plantation drives involving students and staff.
- Planted diverse tree species to improve air quality, provide shade, and enhance campus aesthetics.

These initiatives inspire students and the community, promoting a culture of awareness, responsibility, and creativity in addressing social and environmental challenges.

3.4.1 Extension activities

Sr. No.	PROGRAM NAME	Activity Name	Year of activity	Page No.
1	Samudayik sevadhara (community/social service band)	A healthy lifestyle according to Ayurveda	31/01/2023	1-2

A healthy lifestyle according to Ayurveda

On January 31, 2023, Government Arts College in Bhesan hosted an enlightening lecture titled "Aryurvedic Healthy Lifestyle - Routine" under the auspices of the Gnanadhara Project. The session, featuring Rahul Kumar R. Borisagar, Assistant Professor from Government Ayurveda College, was designed to deepen students' understanding and appreciation of Ayurveda.

Rahul Kumar R. Borisagar delivered a motivational speech emphasizing the importance of Ayurvedic principles in maintaining a balanced and healthy lifestyle. His discourse covered various aspects of Ayurvedic routines, including dietary habits, daily practices (known as Ritucharya), and holistic wellness approaches. Students were encouraged to integrate these time-honored practices into their lives for enhanced physical, mental, and spiritual well-being.

Dr. Yogeshkumar Saheb, serving as both the initiator and guest speaker, provided context and underscored the relevance of Ayurveda in contemporary times. His introduction set the tone for an engaging session that captivated the interest of a significant number of college students.

The event drew active participation from the student body, reflecting their enthusiasm for learning about traditional healthcare systems. The college's faculty and staff played a pivotal role in organizing and facilitating the lecture, ensuring its smooth execution and impactful delivery. Their collective efforts underscored the institution's commitment to promoting holistic education and cultural heritage through initiatives like the Gnanadhara Project.

E-FIR Awareness Drive

12/08/2022

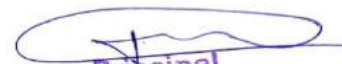

On 12th August 2022, the Government Arts College- Bhesan, in collaboration with the Junagadh District Police Department, organized an e-FIR safety awareness program. This event marks a significant initiative undertaken by the state of Gujarat, emphasizing the importance of safety and security within the community.

The program aimed to educate students and faculty on the efficient use of the e-FIR system, a digital platform designed for the swift and hassle-free filing of First Information Reports (FIRs). The initiative reflects the state's commitment to leveraging technology to enhance public safety and streamline the processes involved in law enforcement.

Distinguished guests and officials from the Junagadh District Police Department provided comprehensive insights into the functionalities and benefits of the e-FIR system. They demonstrated how this system can be a crucial tool for citizens to report crimes without needing to visit police stations physically, thus promoting a safer and more responsive community environment.

The awareness program also included interactive sessions where participants could engage with the officers, ask questions, and gain a deeper understanding of the e-FIR system. This initiative not only educated the attendees but also empowered them with the knowledge to utilize this digital resource effectively.

Rangoli competition to create awareness for Covid-19

On January 5, 2022, the institute organized a Rangoli competition as part of the 'Saptdhara' initiative. Thirteen college students participated in this event, which aimed to nurture their creative talents. The competition had two main goals: raising awareness about the ongoing COVID-19 pandemic through themed Rangolis and showcasing various artistic designs.

The vibrant Rangoli patterns created by the students added color and liveliness to the atmosphere, highlighting the importance of colors in human life and symbolizing love and welcome. Principal Yogeshkumar V. Pathak supervised the event, with guidance from Dr. Sarojben Narigara, the coordinator of 'Rang, Kala Band,' and co-coordinator Dr. Sanjay L. Bandhiya. Judges Prof. Pankaj Solanki, Prof. Dilip Gajera, and Prof. Dr. Sachin Pithdiya evaluated the entries.

The competition was attended by faculty members including Prof. Dr. Ajay Joshi, Prof. Dr. P. V. Guranani, Prof. Mahesh M. Vaghela, Librarian Nitin J. Gajera, and Sangitaben Chauhan, who encouraged and motivated the students. The entire college staff worked hard to ensure the success of the program, fostering an environment that celebrated creativity and cultural expression through the art of Rangoli.

Plant trees and bring rain

On September 13, 2021 organized tree plantation. The initiative aimed to promote community service and environmental Awareness. Dr. Ajay L. Joshi served as the coordinator of the 'Saptadhara' Project.

The event began with an address by Dr. Yogeshkumar V. Pathak, the college principal, who spoke about the importance of trees in our ecosystem and daily lives. He also actively participated by planting various plants within the college premises, showing practical involvement in the program. Prof. Satish Meghani, HOD of Department of History, played a key role in organizing and supervision the activities.

Dr. Ajay L. Joshi, HOD of Sanskrit department concluded the event with a vote of thanks. The entire college worked together to make this event a success, promoting environmental awareness and community engagement among students and staff. This initiative not only aimed to beautify the campus but also instilled values of sustainability and responsibility towards nature in the future generation.

Tree Plantation Event

On June 30, 2021, Government Arts College Bhesan conducted a tree plantation event as part of the Community Service Act under the Saptdhara Project. The program aimed to foster a sense of gratitude towards nature and emphasize the enduring relationship between humans and trees. It underscored the belief that divinity resides within trees—Vasudeva in the tree, Krishna in the kyara, and nourishment in the plant—calling upon individuals to recognize and honor this connection as a moral imperative.

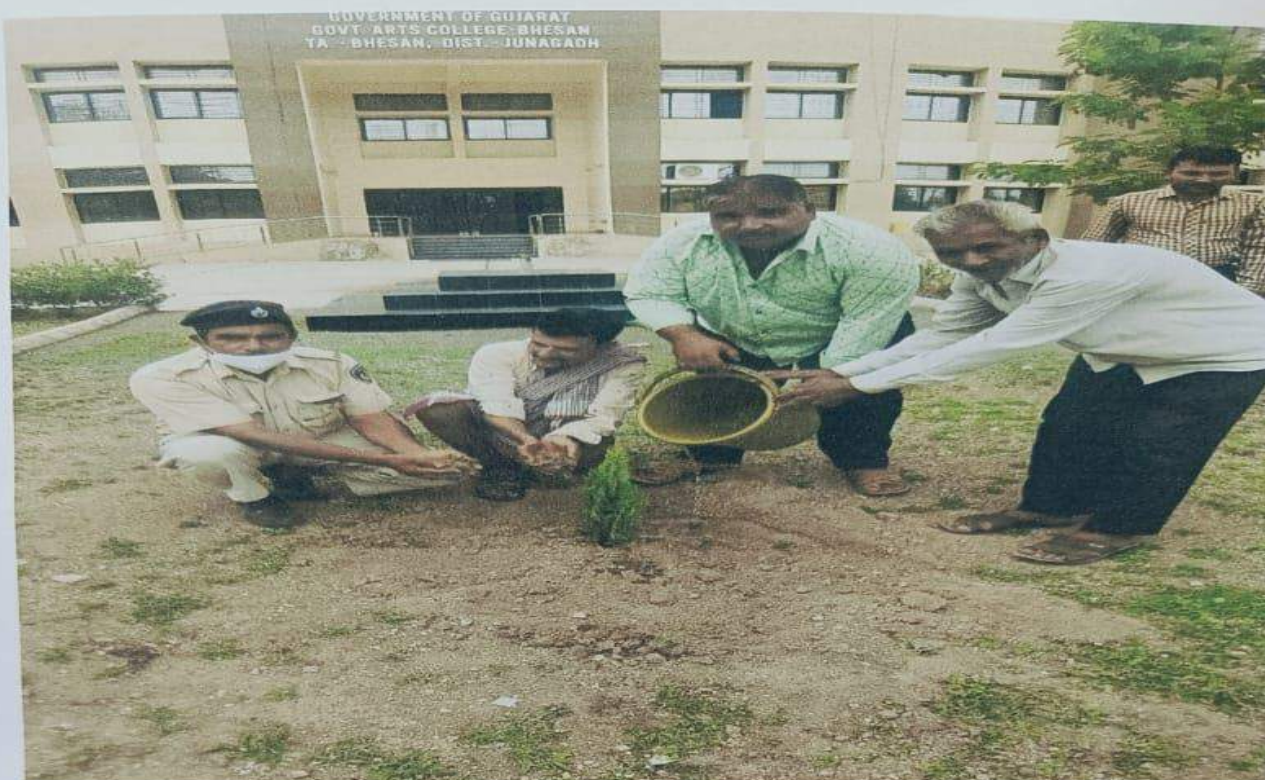

Dr. Yogeshkumar V.Pathak the college principal, led the initiative with guidance from Pathak Saheb and coordination by Ajaybhai L. Joshi Saheb, ensuring smooth organization. The entire college staff dedicated their efforts to ensure the success of the tree planting endeavor. This collective endeavor not only aimed to enhance the campus environment but also instilled values of environmental stewardship and responsibility among participants. By nurturing these values, the program sought to inspire a deeper appreciation for nature's gifts and promote sustainable practices within the college community and beyond.

Importance of Labor

On February 25, 2021, Ajay L. led a session on the 'Importance of Labor' as part of the Community Service Act under the Saptadhara Project at Government Arts College, Bhesan. Guiding the students through the program, Joshi emphasized the significance of labor. The event was meticulously coordinated by Shri M.M. Vaghela, the Community Service Department Coordinator. During the session, Dr. Yogeshkumar V. Pathak Saheb, the college principal, delivered a compelling lecture to students, highlighting the pivotal role of work in life.

Forty-two students actively participated in the program, demonstrating their engagement and commitment. The entire college community contributed earnestly to ensure the program's success. Following the activities, a heartfelt thanksgiving ceremony was conducted by Sanjay Bandhiya, concluding the event on a grateful note. This initiative not only aimed to educate students about the value of labor but also fostered a spirit of collaboration and community service within the college, reinforcing essential life lessons and promoting a culture of diligence and appreciation for productive efforts.

Tree Plantation Programme

On February 10, 2021, Government Arts College, Bhesan, organized a tree plantation drive to promote environmental awareness and sustainability. Students and faculty members actively participated in the event, planting a variety of trees around the college campus.

The principal, Dr. Yogeshkumar V. Pathak, highlighted the importance of trees in maintaining ecological balance and improving air quality. He emphasized the need for everyone to take responsibility for protecting the environment.

The program emphasized a spiritual connection, urging individuals to recognize divinity in trees, echoing messages from cultural beliefs. Tree plantation activities took place within the college premises, symbolizing a commitment to environmental stewardship and sustainable practices.

Art skills (Save water and sanitation)

A drawing competition was held at Government Arts College, Bhesan, on January 22, 2020, organized by Sarojben Narigara and Pro. M.M. Vaghela under the Rangkala skill initiative. Thirteen students took part in the competition, showcasing their artistic talents on the themes of "Cleanliness" and "Save Water". Dr. Satish A. Meghani and Dr. Ajay L. Joshi played pivotal roles in the event. The winners of the competition were as follows:

- 1) First place – Nimbark Mayank C.
- 2) Second place – Makwana Divya P.
- 3) Third place – Lathiya Jamisa R.

It was a day marked by creativity and enthusiasm, with students producing beautiful artworks that reflected the significance of cleanliness and water conservation.

14/01/2020

On January 14, 2020, a significant tree plantation initiative was arranged at our college premises, marking a pivotal moment in our commitment to fostering a deep-seated reverence for nature among our students. This endeavor, spearheaded by Dr. Hareesh P Dave and Dr. Ajay L. Joshi, the esteemed principal and faculty member respectively, aimed to instill a profound change in our community's attitudes towards environment.

The event itself was a testament to collective responsibility and engagement, as students and faculty joined hands in planting trees within our campus grounds. This hands-on participation not only reinforced the importance of ecological balance but also served as a practical lesson in sustainability and environmental conservation.

Complementing the tree planting, a spirited rally was organized in the town, where students enthusiastically championed the cause of environmental preservation, advocating for a greener, more sustainable future. This rally not only raised awareness but also inspired broader community involvement in safeguarding our natural heritage.

Overall, the tree plantation program was a resounding success, leaving an indelible impact on all participants and reaffirming our college's steadfast commitment to nurturing environmentally conscious citizens. It underscored the transformative power of collective action in shaping a more harmonious relationship between humanity and the natural world.

INTERNATIONAL YOGA DAY

21st June 2019

Our institution proudly celebrates International Yoga Day each year, recognizing the profound impact of yoga on physical and mental well-being. This event underscores our commitment to promoting holistic health among students, faculty, and the community.

Preparations for the celebration begin weeks in advance, with yoga instructors and enthusiasts organizing a series of workshops and practice sessions. These sessions cater to individuals of all skill levels, from beginners to advanced practitioners, ensuring inclusive participation.

The students dressed in comfortable attire, perform a series of yoga postures (asanas), breathing exercises (pranayama), and meditation techniques under the guidance of experienced yoga instructors.

Special emphasis is placed on the benefits of yoga, including improved flexibility, strength, stress reduction, and enhanced mental clarity. Informative talks and demonstrations highlight the scientific and philosophical aspects of yoga, fostering a deeper understanding of this ancient practice.

In addition to the physical practice, the event often includes cultural programs featuring music, dance, and speeches that celebrate the rich heritage of yoga. Health and wellness stalls provide resources and advice on integrating yoga into daily life.

25th january 2019

National Voters' Day

The institute commemorated National Voters' Day with fervor and purpose, emphasizing the significance of democratic participation and civic responsibility among students and staff. Held on 25th january 2019, the event featured informative sessions on voter registration, electoral procedures, and ethical voting practices, complemented by interactive workshops and cultural performances that underscored the theme of democracy.

Organized in collaboration with electoral authorities of Bhesan, the celebration not only encouraged voter engagement but also facilitated a substantial number of registrations. The institute remains committed to sustaining voter education efforts and fostering a culture of informed and active citizenship within the college community and beyond.

26/11/2018

CONSTITUTION DAY

Government Arts College- Bhesan celebrated Samvidhan Divas with solemnity and reverence, marking the adoption of the Indian Constitution on 26th November. The event aimed to honor the foundational principles enshrined in the Constitution of India, promote constitutional literacy among students and staff, and reaffirm our commitment to upholding democratic values and fundamental rights

The Samvidhan Divas celebration was a pivotal event aimed at enlightening participants about the enduring significance of the Indian Constitution in contemporary society. Through a series of engaging activities, including thematic discussions, educational sessions, and cultural presentations, the event successfully fostered a deeper understanding of fundamental rights, duties, and responsibilities among students and staff. It also highlighted the constitutional framework's role in celebrating India's rich diversity and promoting unity among its citizens. By promoting constitutional literacy and emphasizing the values of justice, liberty, equality, and fraternity, the celebration underscored [College Name]'s commitment to nurturing informed and responsible citizens who uphold the principles enshrined in our nation's foundational document.

TREE PLANTATION

4/08/2018

The National Service Scheme (NSS) unit of our college organized a Tree Plantation Drive to promote environmental awareness and contribute to the greener campus initiative. The event aimed to instill a sense of responsibility towards the environment among students and staff.

The tree plantation initiative led by faculty members exemplifies their commitment to sustainability and serves as a model for promoting environmental consciousness within the college community. Such initiatives underscore the integral role of educational institutions in nurturing responsible global citizens and fostering a sustainable future.

GURU PURNIMA

27/07/2022

Guru Purnima, a day dedicated to honoring teachers and mentors, is celebrated with great reverence and enthusiasm in our college. This auspicious occasion underscores the importance of the guru-disciple tradition, reflecting our commitment to valuing and respecting our educators.

The preparations for Guru Purnima begin well in advance, with students and faculty coming together to plan a meaningful and heartfelt event. The celebration typically starts with a traditional ceremony, where students offer flowers, garlands, and sweets to their teachers as a mark of respect and gratitude. This gesture symbolizes the deep bond between the guru and the disciple, highlighting the pivotal role teachers play in shaping our lives.

The event features a series of cultural programs, including classical music and dance performances, poetry recitations, and speeches that pay tribute to the wisdom and guidance of the gurus. Students actively participate, showcasing their talents and expressing their appreciation through artistic expressions.

Cleanliness Drive

6/7/2018

The National Service Scheme (NSS) unit of the institution organized a meticulous Cleanliness Drive, underscoring its commitment to fostering a pristine and hygienic campus environment. This initiative, held on 6th July 2018, aimed to instill a sense of civic responsibility and environmental stewardship among students and faculty alike. Through strategic planning and coordination, specific areas within the campus were identified for targeted cleaning efforts, facilitated by dedicated teams equipped with necessary cleaning supplies.

Participants engaged fervently in sweeping, litter collection, and waste segregation activities, guided by comprehensive guidelines on waste management practices. The event not only resulted in noticeable enhancements in cleanliness but also fostered a heightened awareness regarding the importance of maintaining a tidy environment for the well-being of all campus residents.
