To effectively engage alumni, the institute has established dedicated alumni relations officer and formal alumni associations. The Alumni association focus on maintaining up-to-date contact information, organizing events, and facilitating communication through regular updates and social media. Annual reunions are arranged to keep alumni connected and involved.

The institute has prioritized student-alumni interactions through mentorship programs, career Counselling Programmes, and alumni panels.

Their contributions, whether through financial support, mentorship, or industry partnerships, enrich the educational experience and strengthen the institution's reputation. By organizing bi-annual meetings, maintaining a strong alumni association, and fostering strong student-alumni interactions, the Institute ensures active alumni engagement. This support system not only aids current students in their academic and professional journeys but also reinforces the institution's commitment to excellence and community. Through their ongoing involvement, alumni continue to shape the future of the college and its students.
